Sir:

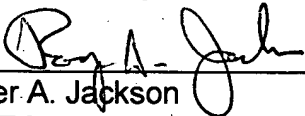

In response to the enclosed Notice Regarding Drawings with a mail date of May 31, 2006 are evidence of the corrected formal patent drawings being submitted on May 30, 2006 along with the Issue Fee transmittal letter, transmittal letter for formal drawings, return receipt postcard, and proof of receipt of the aforementioned package by the USPTO from June 2006 deposit account charges of \$700 and \$300 for docket number 1122.03001, dated June 5, 2006 that were authorized from the above mentioned Issue Fee transmittal letter, thereby proving the receipt of the formal drawings by the USPTO around June 5, 2006. As the formal drawings were mailed from Denver, CO on May 30, 2006, I'm sure that the new formal drawings and the above mentioned Notice Regarding Drawings that was mailed on May 31, 2006 passed each other in the mail. Thus, the USPTO should already have the new formal drawings which should take care of the

required response to the above mentioned Notice Regarding Drawings. It is respectfully requested to pass this case to issue.

Respectfully submitted,

**Roger A. Jackson, Esq.**
